MD/MS/PG Super Speciality- MBBS Courses 2023-24- Regulation of tuition fee and Special fee in respect of Self-Financing Medical Colleges in Kerala- Common Order issued 12.09.2023

### **PRESENT**

- |   |            |
|---|------------|
| 1. Hon'ble Mr. Justice K K Denesan                | ❖ Chairman |
| 2. Shri. S. Suresh Babu<br>[Chartered Accountant] | ❖ Member   |
| 3. Shri. P P Gopi<br>[Educational Expert]         | ❖ Member   |

### **READ**

1. Meeting of the Fee Regulatory Committee held on 19.07.2023
2. Lr. No. FRC 50/23/MD/MS/MBBS dated 07.08.2023
3. Meeting of the Fee Regulatory Committee held on 05.09.2023
4. Press release dated 14.08.2023 issued by the Ministry of Statistics and Programme Implementation, National Statistics Office, Government of India

### **ORDER**

1. Four (4) Medical Colleges under the Kerala Christian Professional College Managements' Federation (KCPCMF) , namely, (i) Malankara Orthodox Syrian Church Medical College, (ii) Amala Institute of Medical College, (iii) Jubilee Mission Medical College and (iv) Pushpagiri Institute of Medical Sciences by communication on various dates submitted representation

**RR**

requesting the Fee Regulatory Committee, hereinafter referred to as the Committee, to finalise the fixation of tuition fee for under graduate and post graduate medical courses for the academic year 2023-24 granting an annual increase in tune with the applicable Cost Inflation Index (CPI) or 5% whichever is higher taking the last academic year's tuition fee as the basis for computation. It is also requested that the increase of CPI may be applied appropriately to special fee covering all categories/courses.

- 2.** Subsequently, the President of the Kerala Private Medical College Management Association (KPMCMA) and the Principals of Fourteen (14) member colleges of KPMCMA, namely, (i) Malabar Medical College, (ii) KMCT Medical College, (iii) P K Das Institute of Medical Sciences, (iv) Dr. Moopen's Medical College, (v) Al Azhar Medical College, (vi) Mount Zion Medical College, (vii) Travancore Medical College, (viii) Azeezia Institute of Medical Sciences, (ix) Sree Narayana Institute of Medical Sciences, (x) Dr. Somervell Memorial CSI Medical College, (xi) Travancore Medical College, (xii) SUT Medical College and (xiii) Sree Gokulam Medical College made similar representations before the Committee for fixation of tuition fee and special fee of postgraduate and undergraduate medical courses for the academic year 2023-24.
- 3.** The matter was placed in the Committee meeting held on 19.07.2023. Committee has gone through the representations submitted by the Medical

Colleges for regulating the tuition fee for the academic year 2023-24. After due discussion and consideration, the Committee decided to afford opportunity of being heard to the Medical Colleges. Notices were issued to the Principals of the Medical Colleges directing them to appear before the Committee on 21.08.2023.

4. In compliance of the above direction, the authorised representatives of the respective member colleges under the KCPCMF and the KPMCMA have appeared before the Committee on 21.08.2023 and advanced arguments.
5. Committee heard the representatives of the Medical Colleges and perused all relevant records.
6. During the course of hearing, the representatives of 17 (Seventeen) member colleges, having arrived at a consensus, submitted that for the current academic year i.e., 2023-24 the rate of tuition fee, special fee and NRI fees may be hiked on the basis of C.P.I published by the Ministry of Statistics and Programme Implementation, Government of India (MSPI). Representatives of the Medical Colleges pointed out that the combined C.P.I for the State of Kerala is 6.43 % (inflation rate) for the month of July 2023. They requested that the tuition fee, the special fee and the NRI fees for this academic year may be fixed based on the C.P.I of 6.43%.

7. Committee after considering the submissions made by the representatives of the Medical Colleges and examining the documents on record notices that the provisional inflation rate applicable to the State of Kerala for July 2023 published by the Ministry of Statistics was 6.43% and that the provisional rate is likely to change when the final percentage is published.
8. During the hearing, representatives of the medical colleges raised the need to revise the NRI fees also applying CPI. They pointed out that N.R.I fees for the Medical College was last fixed in the academic year 2017 and the said rate of fees was being charged thereafter without any change during the last 6 years.
9. The Committee pointed out to the representatives of the Medical Colleges that N.R.I fees is interlinked with the constitution of corpus fund and that the issue is pending before the Hon'ble High Court and the Hon'ble Supreme Court. To this the representatives of the medical colleges replied that no case is pending with regard to the regulation of fees under the NRI quota and that the dispute centres round the additional amount to be set apart for BPL scholarship. According to them, there is no inhibition to regulate the tuition fee under the N.R.I quota without affecting the corpus fund component.
10. Considering the above submissions, the Committee thinks it appropriate to

allow an increase in the annual tuition fee and the special fee payable by N.R.I students also applying the officially announced percentage of C.P.I.

- 11.** The above discussion takes us to the related exercise of finding the appropriate percentage of C.P.I. As matters now stand, the final month-wise inflation rate from April 2023 to July 2023 is yet to be announced. In the press release dated 14<sup>th</sup> August 2023, the All India Inflation rate (Final for June 2023 over July 2022) is available which comes to 4.87%. There cannot be any doubt that the provisional inflation rate of 6.43% becomes irrelevant, as soon as the All-India Inflation Rate for June 2023 (Final) is fixed @4.87% which is the latest final rate applied for fee calculation. However, it has come to the notice of the Committee that the latest All India State-wise Inflation Rate for Kerala for March 2023 (Final) is @ 5.76%. It may be recalled that the above rate was taken into account for fee calculation by this Committee vide order issued in April 2023. Hence, the Committee, in exercise of the discretion vested in it, decide to apply the percentage of 5.76 which comparatively is more reasonable and acceptable.
- 12.** Attention of the Committee was drawn to the fees applicable to students of PG Super Speciality Courses. It is seen that none of the managements conducting such courses has made any proposal for revision of the existing rate of fees. Hence, it is decided that the fees payable by the students of PG Super Speciality Courses will continue at the same rate as was the case in

the previous year.

- 13.** In the light of the above discussion, the Committee allow an increase of 5.76 % in the annual tuition fee and special fee for MD/MS and MBBS Courses for the academic year 2023-24. The calculation table of each of member colleges under the KCPCMF and the KPMCMA are given hereunder:
